**A free value-add recognition for all employers that demonstrate leadership in training and protecting employees, customers, and their communities by adopting the COVID-19 Work Safe Course.**

### What are the benefits?

- Your Work Safe Leader (WSL) notification package includes:
  - Recognition letter from the participating partner offering the training
  - WSL print decals for entry ways, offices, vehicles, etc.
  - WSL digital decals for websites, social media, and print materials
- Employers are also recognized and promoted via SkillsPass and participating partner(s) on social media, websites, industry association newsletters, etc.

### How is it achieved?

- Simply access and assign the free, online COVID-19 Work Safe Course to employees
  - Utilize the employer registration page to enable easy deployment, progress tracking, and certification reporting
- Complete a minimum of 80% of your employee base, and receive your Work Safe Leader package
